IV. 修士課程学生のゼミ履修要件

The language of this seminar is English. First year Masters students and beyond who are capable of reading English research papers independently and discussing actively are welcome to join.

V. ゼミ選考期間

Before the end of the registration period, contact me via e-mail with your cv, transcript, short bio, research interest and writing sample in English.

VI. 指導方針

By reading and discussing empirical literature and reports of student in-progress research, economics concepts and methods will be internalized. This seminar starts from the 1st year of the Master's program. First year Masters students will prepare for their thesis (choosing the theme, developing a research question, choosing an appropriate methodology, collecting data). Second year Master's students will present and discuss their research and draft the Master's thesis. Students would also benefit from the graduate level Research Writing and Academic Presentations skills courses.

VII. 博士後期課程への進学要件（コア科目）

Grade of B or higher in at least one of the following courses: advanced micro, advanced macro, intermediate or advanced econometrics

VIII. 博士後期課程への進学・編入学要件（進学資格試験・編入学試験）

Pass at least one qualifying exam (comp for continuing students; written entrance exam for transfer students) in microeconomics, macroeconomics or statistics/econometrics.

IX. 博士後期課程への進学・編入学要件（その他）

Have acquired the empirical analysis methods necessary for research and the ability to perform in English. It is also helpful to take Research-based Academic Writing I within the first year of study.
